INTRODUCTION

This listing of all known active hiking trails that are open to youth groups such as Boy Scouts and Girl Scouts was prepared by Boy Scout Troop No. 343 (sponsored by Kingsway Christian Church, 6310 Poplar Ave., Memphis, Tennessee 38119). This listing was first published on a printed sheet in 1963 after an original mimeographed version. Since it has been revised (now Edition No. 16 in 1984-85), reprinted, and distributed to Scout and Explorer leaders at Chickasaw Council Scout Show as part of Troop 343 Hiking and Hiking Trails booth display. This popular exhibit includes a number of glass frames containing the attractive medals and colorful patch awards available for most of the hiking trails included on this listing. Each year thousands of copies of these trail listings are widely distributed throughout the country.

The latest trail listing is now printed in booklet form and is available for $2.00 per copy postpaid.

BSA Councils and other groups desiring large quantities should write to Shiloh Military Trail for bulk prices.

"BE PREPARED"

IMPORTANT — Before making plans to hike any trail write to that trail for more specific information about it. Many trails have restrictions pertaining to dates open, hiker’s age and Scout rank, prerequisites before hiking, etc.

Some trails have medal awards, some have patch awards, some both, and some neither. Secure information in advance about fees, cost of awards, etc., for each desired trail. All Scout hiking trails known to the Shiloh Military Trail Committee as being currently active are being included on this listing.

NOTE TO ALL HIKERS USING THIS LISTING.

Please advise us if you find errors in this listing or if any trail repeatedly fails to answer mail sent to the address shown here.

If YOU know of any active hiking trail not presently included on this map, but which should be included on the next revised listing, please send this information to the Shiloh Military Trail Committee.

NOTE TO LISTED TRAILS.

Please send us any changes that should be made in your listing. Help us keep this listing correct. Trails offering special annual events and desiring these dates to be listed in future editions should send us these dates well in advance.

In the past this trail listing used to be revised and reprinted annually. Now due to time required and increasing costs it appears future editions will probably be printed at 3 to 5 year intervals.

HELP US TO HELP YOU!

If you find errors of commission or omission in this edition please send correct information to us at once! Despite our efforts many trails do not inform us of changes until after a new book is printed. Please keep us informed so each edition will be as current and correct as possible.

When requesting trail information always send a stamped self-addressed return envelope.

BOY SCOUTS OF AMERICA HIKING AWARDS

Boy Scouts may earn the Hiking Merit Badge by completing the requirements as listed in "Boy Scout Requirements" booklet. Also a Hiking Skill Award is available as part of the BSA new Advancement Program.

Boy Scouts and Explorers may earn two national hiking and historic trail awards offered by the Boy Scouts of America. Ask your local Scout Service Center for information about the FIFTY MILLER AWARD and the HISTORIC TRAIL AWARD.

NATIONALLY APPROVED HISTORIC TRAILS

Published by BSA Camping/Outdoor Division

As part of this program all historic trails to be used by Scout groups have been requested to meet the National Boy Scouts of America specifications for Historic Trails.

The historic trails with ⚪️ in this listing have met the National specifications for layout and management of historic trails and are officially approved for use by Boy Scout groups. These are included in the Boy Scouts of America publication "Nationally Approved Historic Trails", available through your local council. Only those trails which have met national standards are recommended for use by Boy Scout groups. The Shiloh Military Trail, The N.B. Forrest Trail, Tennessee Forrest Trail, Fort Johnsonville Redouts Trail, Memphis Historical Trail, and the Fort Pillow Trail and Trek are all proud to be included in this list of historic trails approved by the Boy Scouts of America.

GIRL SCOUT HIKING AWARD

Junior Girl Scouts may earn the Hiker and Foot Traveler Badge. Cadette Girl Scouts may earn the Hiking Badge.

NATIONAL PARKS AND STATE PARKS

Most National Parks and many State Parks contain fine hiking trails. Scouts would enjoy hiking. Contact each park for specific information. For example, scenic and interesting trails are enjoyed by many hikers at the Great Smoky Mountains National Park, Rocky Mountain National Park, and many others.

THE APPALACHIAN TRAIL — A continuous, well marked, hiking trail of some 2,000 miles in length, extending from Mt. Katahdin in Maine to Springer Mountain, Georgia. Information available from Appalachian Trail Conference, P.O. Box 807, Harper’s Ferry, West Virginia 25425.

The PACIFIC CREST NATIONAL SCENIC TRAIL for hikers and equestrians traverses 24 National Forests, seven National Parks, and links together six State Parks in a route along the summit crest of the Cascade Range in Washington and Oregon, and the Sierra Nevada and other mountains in California for a distance of 2,560 miles. For free information, send a stamped, self-addressed envelope to Pacific Crest Trail Conference, P.O. Box 1907, Santa Ana, CA 92702.

"ADS" NOW AVAILABLE!

Due to several requests and also to eliminate increasing the selling price, many ads that have been accepted are included in this printing. These are from some metal and patch manufacturers who are known to us and we can recommend.

Also, trails are being advised they can expand their current listing by buying additional space to include an ad or additional information and photos for their trail.

A Pathway To History

To: All Cub Scout Leaders
All Junior Girl Scout Leaders

The Shiloh Military Trail Committee is pleased to announce the availability of two special short hikes which have been designed especially for younger hikers as Cub Scouts and Junior Girl Scouts.

The SHILOH BATTLEFIELD TREK is a two-mile long hike which begins and ends in the famous Hornets Nest area of Shiloh National Military Park. It includes other well-known Shiloh landmarks such as the Peach Orchard, War Cabin, and Ruggles' Battery.

The SHILOH INDIAN MOUNDS TREK is a three-mile long hike which begins and ends at Bloody Pond and features Shiloh's Indian Mounds overlooking the Tennessee River.

NOTE – In 1985 be sure to use the SMT "Temporarily Revised Sheet."

Attractive fully embroidered patches, lapel pins, and charm pendants, are available for those desiring them and who meet the following requirements:

1. Visit the Park Visitor Center and view the movie shown there daily every 45 or 60 minutes.
2. Take the specified hike and answer questions on your credential card as you hike.
3. Taken the self-guided auto tour of the battlefield.

Maps, hiking instructions, and credential cards are all furnished at nominal cost upon request. The cost of each Trek map and hiking instructions (a four-page brochure 11 x 17) is $2.00. Each group will need at least one copy. Each hiker will need a credential card to fill out as he hikes (these are available at $0.05 each). Leaders should write to the trail committee at least 3 weeks before the planned hiking date and give the number of expected hikers or each Trek so this material can be mailed to you. The purchase of any awards after hiking is strictly optional.

CANOEING

While this booklet is a Hiking Trails Listing some canoe trails have been listed. Some of these canoe trails are sponsored by the same groups who sponsor hiking trails. Other have been included on the RSA officially approved trails. A number are listed on page 37 of this edition.

Due to much interest in canoeing more canoe trails are now being added.

Of particular interest to Scout troops in the Mid-South area (say about 200 miles radius of Memphis, Tenn.) are these canoeing opportunities.

**INACTIVE LIST**

The following trails included on other listings are now being omitted from this list because:

(*) Temporarily closed — hope to reopen
(C) Closed — asked to be omitted
(D) Did not answer mail to the address we now have for them
(R) Restricted
(E) Our mail to them returned by Post Office
(I) Listed inactive in previous edition of HTA. Assumed still inactive.

All Trails listed in the 1978-79 Ed. No. 15 of HTA were asked to confirm the listing as being correct or advise changes needed. Those trails not responding were then written two or more times asking if they were active and desired to be listed. Those still not answering were then placed on the "assumed inactive" list.

THE TENNESSEE TRAILS ASSOCIATION
The Tennessee Trails Association is a statewide organization whose primary interests are the development of a state system of hiking trails and the preservation of sufficient wild lands to provide beauty and meaning for a trails experience.

The TTA is concerned with preserving that part of our heritage which is embedded in such trails as the Natchez Trace, The John Muir Trail, and the Trail of Tears. Each of these trails memorializes an event or events which are vital parts of our history. The TTA is also dedicated to the idea that the great scenic areas of our state should be made available to all through the establishment of such scenic trails as the Cumberland Trail, the Chickasaw Bluffs Trail, the Trail of the Lonesome Pine, and the Appalachian Trail.

The organization recognizes the necessity of having recreational trails near our urban centers and is actively working toward the establishment of such a network of trails.

The American Hiking Society

The American Hiking Society is the only national organization dedicated to protecting the interests of hikers and preserving America's foot trails. Although a great many people hike, they are largely ignored in the political process. AHS is working to change that; here are some of the ways it has worked for trails recently:

- Drafted and helped push through Congress legislation aimed at getting trails off the drawing board and onto the ground.
- Sponsored HikaNation, a cross-country hike to dramatize the need for more and better trails.
- Seeks to create a trail club network so local and regional groups can communicate and cooperate more effectively.
- Maintains a strong Washington presence to lobby for hikers—for example, AHS recently convinced Congress to include more money for trail building and maintenance in the National Park Service budget.

Membership Benefits

For your $15 annual dues, you will receive the American Hiker, a monthly newsletter to keep you informed of what AHS is doing, as well as legislative updates on issues affecting hikers and how you can help influence the outcome. You'll receive a membership card and decal, a discount car rental card, and a discount at the AHS Hike-In, an annual meeting featuring seminars, workshops, films, equipment displays, and an equipment auction.

Of course, the most important benefit is the opportunity to make a difference. Your support will help us to achieve more and better hiking opportunities for you, your children, and generations to come.

NATIONAL TRAILS SYSTEM ACT

In 1968 Congress enacted the National Trails System Act, which designated the Pacific Crest Trail and Appalachian Trail as our first national scenic trails. Since then, six national scenic trails and five national historic trails have been added to the system. See Page 3 for information about the Appalachian Trail and Pacific Crest Trail. Also see Page 12 for information about the Florida Trail.

NORTH COUNTRY TRAIL

The North Country National Scenic Trail, when completed, will extend approximately 3,200 miles from near Crown Point, New York, through Pennsylvania, Ohio, Michigan, Wisconsin, and Minnesota to the Lewis and Clark National Historic Trail at Lake Sakakawea in North Dakota. About 600 miles of the route now exist, including parts of the Boundary Waters Canoe Area in Minnesota. For more information, write: North Country Trail Association, P.O. Box 311, White Cloud, Michigan 49349.

OREGON TRAIL

The Oregon National Historic Trail follows the path of the transcontinental pioneers of the 19th century. Although this trail has been officially designated by an act of Congress, it is not being built. More information can be obtained from the Pacific Northwest Regional Office, National Park Service, Westin Bldg., 2001 6th Ave., Seattle, WA 98121.

PLAN TO HIKE AT FORT PILLOW STATE HISTORIC PARK!

There are approximately 630 Ranger Districts in the National Forest System and most of them have hiking trails. The addresses of the 9 Regions offices are listed below.

The Fort Pillow Historic Trail is about 10 miles long and is for hikers 11 years of age and older. For younger hikers the Fort Pillow Historic Trek is available and this is a five mile long hike. Both of these are loop hikes. The newest trail here is the first Chickasaw Bluff Trail which is about five miles long. This is not a loop hike. For backpackers an overnight campsite is available on this trail.

Units desiring to hike one of these trails at Fort Pillow should contact the Trail Committee at least three weeks in advance of your proposed hiking date. Different patches are available for these three different hikes. Camping facilities are now available at the park. Groups desiring to camp there should contact the Park Superintendent about using the group camping area rather than using the regular public camping area designed for family and smaller size groups. A new Museum is now open and other improvements have been made.

This historic and scenic area located on the first Chickasaw Bluff a few miles north of the Hatchie River has been much history. Chickasaw Indians had villages here and hunted the area. French explorers stopped here and built Fort Prudhomme that is on this bluff in 1682. In 1861 during the Civil War Confederates built Fort Pillow here to control boat traffic on the Mississippi River. After Confederate forces withdrew in May 1863 Union Troops occupied the fort. In April 1994, Gen. N. B. Forrest attacked and captured the fort. Hikers can follow Forrest's successful assault as they walk the trail. Much of the trail's route and the main fort area is still here.

Fort Pillow State Park is located just north of the small town of Fulton, Tennessee. Back in 1862 Fulton was a rival of Memphis and Randolph for the major river town in West Tennessee. To reach Fulton, go west on Tenn. No. 67 for about 15 miles from Harding (which is on U.S. Highway No. 51 between Ripley and Covington). Fort Pillow is about 50 miles north of Memphis.

Write to the Trail Committee for the new revised Trail Map and Brochure (eight pages at cost of $.75 each) and an application to hike here. Trail hikers must read the book CONFEDERATE VICTORIES AT FORT PILLOW by Ed Williams. This book is available from the Trail Committee for $1.50 each.

NOTE: Allow Postage — Include $1.00 for all orders for literature or books and $2.00 for all orders for awards.

SPECIAL INFORMATION FOR 1985

In June 1960, Boy Scout Troop 343 of Memphis opened the Shiloh Military Trail hiking program at Shiloh National Military Park. During the past 25 years approximately 500,000 hikers have walked these trails thru this historic and scenic battlefield. At least 20,000 hikers are expected at Shiloh this year. This educational historic hiking trail program has proven to be very popular and beneficial for many hikers — especially for Boy Scouts and Girl Scouts units. We invite your group to take advantage of this hiking experience by including some hikes and camps at Shiloh in your unit's outdoor program.

PLAN AHEAD!

Be sure to hike at Shiloh in 1985! Earn Special 25th Anniversary Shiloh patch and/or Special neckerchief slide by hiking any trail or trek at Shiloh between Jan. 1, 1985 and Dec. 31, 1985. NOTE. All orders for SMT Special 25th Anniversary awards must be received by SMT before Feb. 1, 1986.

SPECIAL BATTLE ANNIVERSARY WEEKEND PATCH AVAILABLE!

Many hikers try to visit Shiloh on the dates of the famous battle. A special embroidered patch (same design each year but different colors) ($5.00 each) will be available for those completing any SMT hike during the designated battle anniversary period (weekend before and after April 6-7 each year). In 1985 — March 29 thru April 14. In 1986 — March 28 thru April 13. In 1987 — April 3 thru April 12. In 1986 — April 1 thru April 10.

AN INVITATION TO ALL SCOUTS —
To All Boy Scouts, Cubs, Explorers —
To All Girl Scouts — Juniors, Cadettes, Seniors —

Make plans now to be in Memphis during the 1986 Cotton Carnival to join with hundreds of other Boy Scouts and Girl Scouts that will be here to participate in the 1986 Memphis Historical Trail Cotton Carnival Hike No. 11.

Again in 1986 many interesting activities are planned for hikers along the ten mile trail route on both Saturdays. For detailed information concerning the trail route as well as information for qualifying for the regular colorful awards, contact the Trail Committee, P.O. Box 17507, Memphis, Tenn. 38117. Again in 1986 there will be a special new design embroidered patch for those that take part in this special event.

Don’t miss this event! Plan to hike on either of these two designated Saturdays in May on the Memphis Historical Trail Cotton Carnival Hike No. 11

DATES TO BE ANNOUNCED: MAY or JUNE 1986

Younger hikers (as Cubs and Junior Girl Scouts) may prefer to hike half of the trail on each of the two Saturdays.

SOME OF THE MEDALS AND PATCHES offered by SHILOH MILITARY TRAIL, INC.
HISTORICAL HIKING TRAILS, INC.

Dear Friend,

You are invited to enjoy an interesting and educational hike through the oldest and most historic part of our great city of Memphis, Tennessee.

As you walk the streets of Memphis you will be following the footsteps of many prominent names who in the past have resided in or visited the city. Famous people in American history who once called Memphis home include Jefferson Davis, Nathan Bedford Forrest, Thomas A. Edison, W.C. Handy, and E.H. Crump. Prominent visitors who have probably walked at various times, where you will hike include Hernando DeSoto, LaSalle, Marquette and Jolliet, Nathan Hale, John Adams, Zachary Taylor, Andrew Jackson, Davy Crockett, Sam Houston, John C. Calhoun, W.T. Sherman, U.S. Grant, and other U.S. Presidents - Taft, Cleveland, Teddy Roosevelt, Eisenhower, J.F. Kennedy, L.E. Johnson, Richard Nixon, Gerald Ford, and Jimmy Carter.

During the years since Memphis was founded in 1819 our city has grown from a small Indian trading post overlooking the Mississippi River to one of the nation’s outstanding metropolitan centers boasting a population of almost one million people in the city and its suburban area.

As you hike this trail we hope you will be able to relive some of the exciting moments in Memphis history, be more aware of our city’s past and present accomplishments, become more appreciative of our rich heritage, and re-recognize the good fortune we have to enjoy the opportunity of visiting and living in Memphis, Tennessee.

Attractive and colorful medals and embroidered patch awards may be earned by hikers desiring to qualify for such. Requirements for the Memphis Historical Trail awards include taking the complete specified ten-mile Tong trail, reading a booklet describing Memphis history, and writing a report about your Memphis Trail hike.

For hikers under 11 years old it is recommended that this trail be hiked in two days, and also obtain the special reading material available from the Trail Committee for younger hikers.

For applications to make this hike write to our Trail Committee. Trail maps and hiking instructions are furnished at nominal charge upon receipt of your application. The purchase of trail awards is entirely optional but such awards must be earned before they can be obtained.

Yours,

THE MEMPHIS HISTORICAL TRAIL COMMITTEE

Note: The Memphis Historical Trail supersedes the Memphis Sesquicentennial Trail which operated during 1969.

THIS TRAIL IS APPROVED BY BOY SCOUTS OF AMERICA AND LISTED AS A TENNESSEE RECREATION TRAIL.

SPECIAL INFORMATION

BE PREPARED!
Make your camping reserve in advance for the exact date and number of campers. This reservation must be made with the Superintendent, Shiloh National Military Park, Shiloh, Tenn. 38376. Water is available in the camping area but bring water containers as there is one centrally located spigot. BSA groups must have a tour permit from their Council. The phone number at Shiloh National Military Park is 901-669-5275. When a camp reservation is made at SNMP the unit will receive a camp information sheet from the National Park Service. Read it carefully!

Ask the SMT Committee for a Shiloh Camping Information Sheet. This tells about the SNMP Scout camping area and also about other overnight camping facilities in the area — as Tennessee State Parks and the TVA area at Pickwick Dam. Also the Shiloh Community Lodge can be rented with advance reservations. Contact Mr. Ed Shaw at Shiloh Gift Shop (phone 901-669-3823 or 669-3360) for information about its cost and reservations.

PLEASE PLAN AHEAD!
All of the work connected with the operation of these trails sponsored by Boy Scout Troop 343 is handled by volunteer Scouter during their “spare” time. A heavy volume of mail is received daily. PLAN AHEAD! BE PREPARED! Allow at least three weeks for you to answer your mail. Write us early — do not wait and phone us late expecting an immediate answer! We wish we could oblige all but generally such service is not possible. Remember — the Scout Motto is BE PREPARED!

It is recommended that payment on all mail orders be by check only — no cash.

VERY IMPORTANT — PLAN IN ADVANCE
Read Carefully your unit application and follow all instructions!

ALLOW POSTAGE
Include $1.00 for all orders for Literature or Books and $2.00 for all orders for Awards. This postage and handling charge was necessary to keep additional increases being made on all costs of literature and awards.
Due to increased cost of postage, etc., when you write to any trail requesting free information, be sure to enclose return postage. To speed a reply enclose a large, self-addressed stamped return envelope. Above postage charges are for 3rd or 4th Class mail delivery. If rush or 1st Class mail delivery is desired then send sufficient remittance with your order to cover such.

MINIMUM AGE SPECIFIED FOR SHILOH TRAIL HIKERS
A minimum age of 11 years old has been set for qualifying for any hiking awards offered by the Shiloh Military Trail committee. This is not only because of the length of these trails but also due to the expected educational value of the program. Reading material and historical information associated with each hike was selected for hikers at least 11 years old — hopefully already with some knowledge of our nation’s history and heritage.

See Special Trek Information for younger hikers!

TWO SHILOH TREKS NOW AVAILABLE FOR YOUNGER HIKERS
Two interesting and educational short treks are now available at Shiloh for younger hikers (under 11 years old, the minimum age for regular SMT hikes). These are known as the Shiloh Battlefield Trek (2 miles) and the Shiloh Indian Mounds Trek (3 miles). Attractive patches and pin awards are available for those who meet the specified requirements. Contact the SMT committee for additional information, maps, applications, etc., for the Trek program. Many groups hike both Treks in one day. Generally it takes four hours to complete both. If you are hiking both, the second one should be done after the first. This is based on allowing one hour for movie and museum, two hours for the tourist trail, one hour for lunch, and one hour for each of the two different hikes. NOTE: Be sure to use the SMT “Temporary Revised Sheet” in 1985.

NOTE TO BOY SCOUT AND GIRL SCOUT COUNCILS!
Copies of our brochure “Hiking Trail News” are available in quantity from our Trail Committee for free distribution to your unit leaders and others concerned with your outdoor camping and hiking program. Write to us if you can use some copies.

Dear Friend:

Interesting educational hiking trails are now in operation in historic areas near Baldwyn, Mississippi, and Camden and New Johnsonville, Tennessee.

Baldwyn is located on U.S. Highway 45 between Corinth and Tupelo, Mississippi. The NATHAN BEDFORD FORREST TRAIL is 16 miles long and starts and ends at the Bric's Crossroads Civil War Museum in Baldwyn. This trail covers the area which was the scene of what is generally considered General Forrest's greatest victory, the Battle of Bric's Crossroads, fought here on June 10, 1864. The Bric's Crossroads National Battlefield Site is visited on this hike.

Camden is located on U.S. Highway 70 near the Tennessee River. The TENNESSEE FORREST TRAIL is 15 miles long and starts and ends in the Camden Bedford Fork Memorial State Park which is located about 6 miles northeast of Camden. The trail route includes Pilot Knob, the highest point in west Tennessee overlooking the Kentucky Lake. Here, on May 12, 1864, General Forrest completely destroyed Fort Johnsonville, a large important Federal supply base then located across the river.

For each of these hikes, attractive medal and patch awards are available to hikers meeting specified requirements to earn them. The medal is a round medallion picturing the statue of General Forrest on his horse which stands over his grave in Memphis.

For the NATHAN BEDFORD FORREST TRAIL (in Mississippi) the silver-colored medal is suspended from a Confederate Flag type ribbon hanging below a bar reading “Bric’s Crossroads”.

For the TENNESSEE FORREST TRAIL (near Camden) the new designed medallion is suspended from a ribbon simulating the Tennessee State Flag hanging below a bar reading “Pilot Knob - Tennessee”.

The FORT JOHNSONVILLE REDOUTS TRAIL is a 6 mile long loop hike thru a scenic wooded hilly area which includes both earthworks and numerous rifle pits used by the Federal Army in 1864. This trail is located approximately 4 miles north of New Johnsonville, Tenn. (which is on U.S. Highway 70) and is on the east bank of Kentucky Lake (Tenn. River) across the water from the TENNESSEE FORREST TRAIL.

Each of these three trails has a fully embroidered, multi-colored, 4 x 3 3/4 inch patch award.

Be sure to write to the N. B. Forrest Trail Committee at least three weeks in advance of your proposed hiking date to allow time to receive by return third-class mail the needed hiking literature. Trail map and hiking instructions are 25 each. Each hiker will need a credential card to record answers (cost $0.05 each). Camping areas are available near all of these trail locations.

The N. B. Forrest Trail Committee will be happy to send you additional information about this hiking program, including a unit application to hike upon your request for such. We invite you to take advantage of the opportunity to include these historic hikes in your unit's outdoor program.

Cordially yours,

The NATHAN BEDFORD FORREST TRAIL COMMITTEE

Note: All three of these trails are approved by B.S.A.

PATHWAYS TO HISTORY

AND THE AMERICAN WAY OF LIFE

The hiking trail program sponsored by Historical Hiking Trails, Inc., and its various affiliated and associated organizations is designed to do more than just provide a wholesome recreational opportunity for young Americans. It is intended to place them on the "Pathways to History" which will put them in touch with the frontiersmen, pioneers, explorers, settlers, patriots, statesmen, and soldiers who struggled and sacrificed to create the "American Way of Life" as a living legacy for later generations.

This "American Way of Life"—defined by the Valley Forge Freedmen Foundation as the political and economic rights which protect the dignity and freedom of the individual, constitutional government designed to serve the people, and fundamental belief in God—was not easily obtained. Young Americans need to know just how hard it has been to achieve, and only through a knowledge of history can they receive this understanding.

This is why our historical hiking trail program places special emphasis on the deeds of Americans who were willing to die for their beliefs. We hope that as each hiker passes over the ground where these earlier generations struggled, he will realize that these were men who truly believed their cause was right and whose efforts have eventually resulted in producing the "American Way of Life" which we enjoy today.

We also feel that hikers will find additional value in this contact with the past through the feeling which John Paul Jones describes in his book, The Ground We Stand On: "In times of change and danger when there is quicksand of fear under men's reasoning, a sense of continuity with generations gone before can stretch like a lifeline across the scary present."

Enjoy our trails and think about the reason that they are there.

Hiking Trail Emblems

Embroidered emblems have long been worn by individuals and organizations to express pride of accomplishment and participation. These colorful works of art are used by Hiking Trails all over the country. Not only are they desirable because they give the hiker a sense of accomplishment, but they serve as a form of Quiet Advertising for your Trail.

Midwest Swiss Embroideries Company is a preferred manufacturer for such organizations as Shiloh Military Trails, Historical Hiking Trails, Memphis Historical Trail, Tennessee Trails Association, Kentucky Trails Association, Milwaukee History Trail, Amaquonippi Trail, Piasa Bird Trail, Sauk Thorn Creek Trails, Pokagon-Kekionga Trail Association, and American Historical Trails. These are only a few of the many Trail organizations for whom we produce emblems.

Our experience spans over five decades. To us, producing a beautifully embroidered emblem is more than a business — it is an art. Old World pride of craftsmanship is blended with the most modern, technically advanced equipment available. The material used are of the highest quality: permanently pressed, washable twill, synthetic blends and wool felt. Our thread is 100% rayon, vat-dyed in washable, vibrant colors. Whether you want an emblem that is to be sewn on or one that is to be heat-sealed to the garment, you can be assured of an attractive, durable emblem that is manufactured to withstand machine washing and dry cleaning.
