Dear Mr. Humphreys;

We are planning to open our new hiking trail, The Chief Pushmataha Trail, on April 16. If you would send us some of your literature on your four trails we would be glad to display it for any of the hikers who wish to hike your trails.

We are also going to display a large number of trail medals, including medals from your trails. Please send this information to the above address.

Sincerely,

Randy Ferry  
Secretary,

Ken,

Just a few lines to answer your nice letter. I am sorry for the delay - I have been down with the flu and everything I did was an effort. Believe it when they say it was the worse ever. It's way out.

For the time being we have closed the #2 Trail. Having a few difficulties with different matters; so do not place it on your list of trails.

Will see you Feb. 28<sup>th</sup> if everything goes to plans. we already have our charter bus set up. Tell Harold hello when you see him and that I'll drop him a line next week.

See you the 28<sup>th</sup>.

Yours in Scouting,

J.W.
